ABOUT

St. Thomas

St. Thomas, one of the three United States Virgin Islands and part of the Lesser Antilles, Located around 1,100 east of Miami and nestled between sparkling Atlantic waters and stunning Caribbean views lies St. Thomas, an exquisitely beautiful island destination characterized by serene powdery beaches that entice travelers to explore its many wonders year round.

Charlotte Amalie, the capital of the U.S. Virgins, is one of the most breathtaking harbors in the world and the most visited port in the Caribbean.

The second largest of the United States Virgin Islands, St. Thomas is a magnificent Caribbean retreat, surrounded by the turquoise waters of both the Atlantic and Caribbean Seas. Its 32 square miles are blanketed with lush palm forestry that gives way to its highest peaks at 1,550 ft., revealing picturesque panoramas from each corner of this tropical paradise.

ABOUT

St. John

St. John, the smallest of America's Virgin Islands, located just east of St. Thomas and north of St. Croix, is a paradise, beckoning travelers with its lush emerald mountains and soft white sand beaches. The island also delights scuba divers and boaters alike with stunning coral beneath aquamarine waters; it truly stands as an oasis amid the rolling Caribbean Sea.

Thanks to Laurence Rockefeller, two-thirds of St. John Island is the incredible Virgin Islands National Park, which includes 5,600 acres of off-shore marine areas.

With numerous near-deserted beaches, snorkeling and hiking trails, historical ruins and coral reefs full of sea life populate the island; St. John is one of the most tranquil environments you will find anywhere.

GETTING AROUND

There are several ways to get around the islands of St. Thomas and St. John.

BY CAR

Renting a car is a great way to explore the island. The airport has several options that can be booked online in advance.

Quick Tips

Keep Left. We drive on the left in the USVI.

Everything moves slower here. Island time is real.

Good morning, good afternoon, and good night go a long way.

Stay hydrated. The drinks and the sun are strong.

Bring Cash. ATMs from local banks charge large fees.

Quick Tips Cont.

Use reef responsible sun screen.

Some areas of St. Thomas and St. John pick up international cell towers resulting in phone fees.

Use Tripadvisor for helpful tips and reviews.

Make reservations whenever possible.

Bring towels on outings. You will need them!

STT BEACHES

Megans Bay

Relax in the warm, clear water, perfect for swimming, kayaking, or paddle boarding. Hike a nature trail and experience the beauty of nature.

 **St Thomas 00802, U.S. Virgin Islands**

Hull Bay

Hull Bay on St. Thomas is all about snorkeling the neighboring reef, swinging in a beach hammock, and unwinding at a cool little beach bar.

 **St Thomas 00802, U.S. Virgin Islands**

Secret Harbor

Featuring a pretty white sand beach and crystalline waters, it's a popular spot for sunbathing, snorkeling, and other water sports, such as scuba diving, paddleboarding, and kayaking.

 **St Thomas 00802, U.S. Virgin Islands**

Sapphire Beach

Featuring stellar views and a long stretch of pretty white sand, it's an ideal beach for relaxing and sunbathing, snorkeling, and a variety of water sports.

 **Smith Bay, St Thomas 00801, U.S. Virgin Islands**

STJ BEACHES

Trunk Bay

One of the most photographed and famous beaches on St. John Island. A marked-out underwater trail serves as a popular snorkeling spot and sea life.

 **St John 00830, U.S. Virgin Islands**

Maho Bay

Maho Bay, perched on St John's northern shore, is named after the Maho tree, which you can identify by its heart-shaped leaves and bright yellow flowers.

 **St John 00830, U.S. Virgin Islands**

Honeymoon Beach

Honeymoon Beach is both convenient and out-of-the-way, a good choice for those who want to avoid crowds with a few on-site amenities.

 **North Shore Rd., just before the Caneel Bay Resort, Cruz Bay, St. John, 00831**

Salt Pond

The beach offers an escape from the crowds of Cruz Bay, with calm waters for swimming, tide pools filled with marine creatures, and a coral reef in the middle of the bay for snorkeling.

 **St. John 00830, U.S. Virgin Islands**
